

Panel 1: The Big Entrance

Fern stands in the middle of a noisy school hallway, wearing a bright orange hoodie and blue jeans, looking completely bewildered while holding a giant potted fern plant instead of his backpack.

Caption

Back-to-school confusion.

Narration

Fern thought 'bringing your own plant' was

a literal
instruction for
the first day
of middle
school.

Dialogue

Wait, did
everyone else
bring a
backpack?

Panel 2:

Locker Drama

Fern tries to stuff the massive leafy fern plant into a tiny metal school locker, with leaves poking out of the sides and dirt spilling onto the floor.

Caption

A tight squeeze.

Narration

His botany dedication immediately clashed with standard school architecture.

Dialogue

Just a little

more...

almost... ah!

Panel 3:

Cafeteria

Chaos

In the crowded cafeteria, the potted plant has grown bizarrely large and is now gently knocking over a carton of milk on the tray of a startled student sitting next to Fern.

Caption

Uninvited dining companion.

Narration

By lunchtime, the plant seemed to have absorbed all

the cafeteria
drama and grown
twice its size.

Dialogue

Don't look at
me, it gets
hungry for
gossip!

Panel 4:

Best in Show

Fern stands proudly on the school stage accepting a blue ribbon for 'Best Science Project' while his giant fern plant wears a tiny graduation cap.

Caption

An unexpected victory.

Narration

What started as a hilarious misunderstanding ended in total academic triumph.

Dialogue

See? I told you
guys education
is growing on
me!
